We have performed the procedures described below which were agreed to by the South Carolina Office of the State Auditor solely to assist these users in evaluating the performance of the Town of Seabrook Island Municipal Court System and to assist the South Carolina Office of the State Auditor in complying with the 2005 - 2006 General Appropriations Act (H. 3716) Section 72.86. Faye Allbritton, Clerk of Court for the Town of Seabrook Island is responsible for compliance with the requirements for the Municipal Court reporting and the South Carolina Office of the State Auditor is responsible for compliance with the requirements of the 2005 - 2006 General Appropriations Act (H. 3716) Section 72.86. This engagement to apply agreed-upon procedures was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the specified users of the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures and associated findings are as follows:

1. TIMELY REPORTING BY THE CLERK OF COURT

- We researched South Carolina Code of Laws Section 14-25-85 to determine the definition of timely reporting with respect to the Clerk of Court's responsibility for reporting fines, fees and assessments to the Municipal Treasurer.
- We inquired of the South Carolina Judicial Department to determine their requirements for both
 the manner in which partial pay fines and fees are to be allocated and the timing of the report and
 remittance submissions by the Clerk and the Treasurer.
- We inquired of the Clerk of Court and Municipal Treasurer to gain an understanding of their policy for ensuring timely reporting and to determine how the treasurer specifically documents timeliness.
- We inspected documentation, including the Clerk of Court Remittance Forms or equivalents for the months of May 1, 2005 through April 30, 2006 to determine if the Clerk of Court submitted the reports to the municipal treasurer in accordance with the law.

We found no exceptions as a result of the procedures.

2. TIMELY ACCURATE RECORDING AND REPORTING BY THE TOWN

- We traced each month's reporting by the Clerk of Court to the Municipal Treasurer's Office and to the Town's general ledger accounts for the assessments (Sections 14-1-208(A), (B) and (D)) and victim's assistance surcharge (Section 14-1-211) for the period May 1, 2005 to April 30, 2006.
- We compared the amounts reported on the Clerk of Court Remittance Forms or equivalents to the Clerk of Court's software system-generated report summaries for three judgmentally determined test months. We tested the system-generated reports for compliance with various laws including Section 35.11 of the General Appropriations Act for the fiscal year 2005 2006 and with South Carolina Judicial Department training instructions and interpretations.
- We judgmentally selected and compared individual fine and assessment amounts recorded in the Clerk of Court's software system-generated detail reports to the Judicial Department guidelines' range for the offense code to see if the fine and assessment were within the minimum and maximum range.

We found no exceptions as a result of the procedures.

3. PROPER VICTIM'S ASSISTANCE FUNDS ACCOUNTING

- We inquired as to the format determined by Town council and local policy for record keeping as it relates to fines and assessments in accordance with Section 14-1-208(E)(4).
- We compared the fiscal year-ended December 31, 2005 audited Victims' Rights Fund fund balance with all adjustments to the fund balance shown in the Schedule of Fines, Assessments and Surcharges on page 30 of the audited financial statement and to the beginning fund balance as adjusted in that fund for fiscal year 2005.
- We verified the Victims' Rights Fund reimbursable expenditures were in compliance with Section 14-1-208(E) and Section 14-1-211(B).

We found no exceptions as a result of the procedures.

4. TIMELY ACCURATE REPORTING TO THE STATE TREASURER

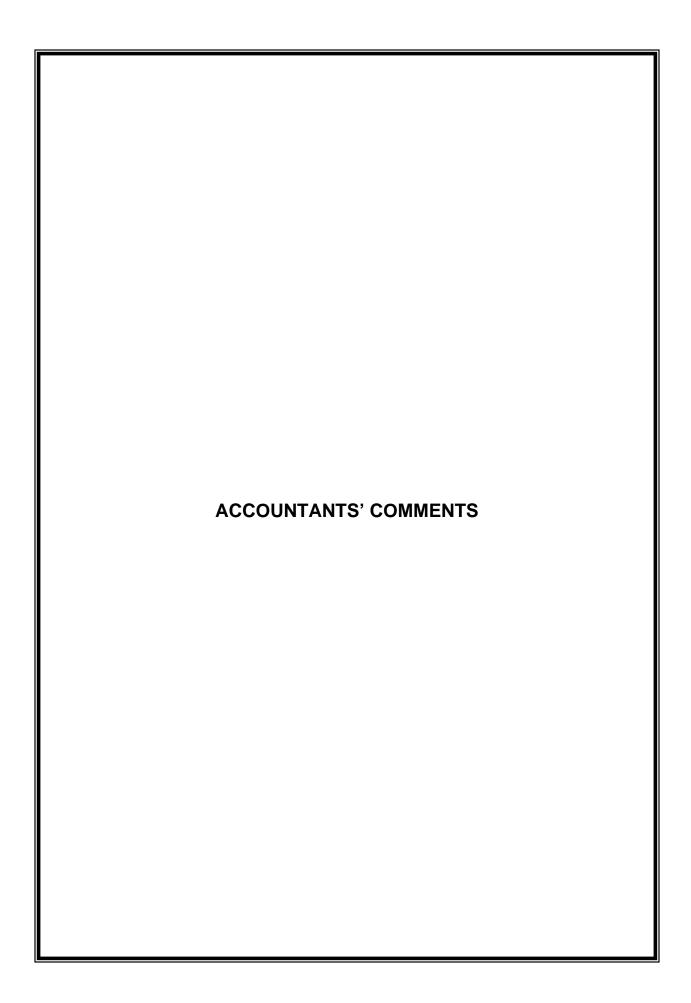

- We vouched the amounts reported in the South Carolina State Treasurer's Revenue Remittance Forms to Clerk of Court Remittance Forms or equivalents for the period May 1, 2005 to April 30, 2006.
- We scanned the South Carolina State Treasurer's Revenue Remittance Forms for timely filing in accordance with Section 14-1-208(B).
- We traced amounts recorded in the Town's financial statement Schedule of Fines, Assessments and Surcharges on page 30 of the year ended December 31, 2005 report related to fines and assessments revenues reporting in accordance with Section 14-1-208(E) to supporting schedules used in the audit to comply with Section 14-1-208(E).
- We traced and agreed amounts in the supporting schedules to the Clerk of Court Remittance Forms or South Carolina State Treasurer's Revenue Remittance Forms.

Our finding is reported under "TIMELY ACCURATE REPORTING TO THE STATE TREASURER" in the Accountants' Comments section of this report.

We were not engaged to, and did not conduct an audit the objective of which would be the expression of an opinion on compliance with the collection and distribution of court generated revenue at any level of court for the twelve months ended April 30, 2006 and, furthermore, we were not engaged to express an opinion on the effectiveness of the internal controls over compliance with the laws, rules and regulations described in paragraph one and the procedures of this report. Had we performed additional procedures other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Office of the State Auditor, Chairmen of the House Ways & Means Committee, Senate Finance Committee, House Judiciary Committee, Senate Judiciary Committee, State Treasurer, Office of Victim Assistance, Chief Justice and the Governor and is not intended to be and should not be used by anyone other than these specified parties.

TIMELY ACCURATE REPORTING TO THE STATE TREASURER

PARTIAL PAYMENTS

CONDITION: The Town had one partial payment over the procedures period. This partial payment was not allocated as the payments came in but was allocated in total after the last payment came in.

CRITERIA: South Carolina Code of Law Section 14-1-208(B) states "Assessments paid in installments must be remitted as received."

CAUSE: The software will do allocations of partial payments but since they are so rare, the clerk is unable to ensure they are done correctly.

EFFECT: The total payment was made in December to the State rather than partially in June and the remainder in December.

AUDITORS' RECOMMENDATION: The Town should provide training to allow the Clerk to use the software as it was designed. Manuals should be provided.
